

Be the Difference

## PACIFIC BREAKAWAY

Pallet Stabilization System

Increase overall safety, while minimizing waste and damage, by load locking your packages with our eco-friendly, low maintenance Pacific BREAKAWAY adhesive system.

### PS-1

Pallet Stabilization System

Application Type	Extrusion
Controller	GMS microglue® 228
# of Valves	Dual
Valve Type	GMS Valves
Surface	Corrugated Boxes, Paper Board
Lead Time	7 days

### PS-2

Pallet Stabilization System

Application Type	Spray
Controller	GMS microglue® 228
# of Valves	Single
Valve Type	82 Series Valve
Surface	Poly Bags, Multi-wall
Lead Time	14-21 days

PS-1 and PS-2 are purchased as a complete system. If customized add-ons or additional valves are needed, they can be purchased separately. Please consult with your local Territory Manager to provide the best configuration and product recommendation.
