NORTH AMERICA BASED. CUSTOMER FOCUSED.

With 25+ locations across the continent, APPLIED offers a stronger supply chain, localized sales reps, and shorter delivery times. We combine groundbreaking adhesive and sealant solutions with industry-leading expertise and the highest-quality dispensing equipment. Since 1971, APPLIED directly manages every step of the process giving our customers turnkey solutions with lower overhead. It also provides a strategic advantage by avoiding issues related to importing from overseas, eliminating tariff surprises and international shipping delays.
